Manipal ProLearn	Online	Google-aligned certifications & modern modules
MICA	Online	Premium strategic marketing training
IIM Kolkata	Executive Program	High-level leadership perspective in digital strategy

---

Final Thoughts:

- **Training Options**: Online platforms like UpGrad, Simplilearn, or NIIT offer flexibility. Classroom and hybrid models (IIDE, Digital Vidya, DSIM) offer better interactive support.
- **Certifications Matter**: Industry-endorsed or academic certifications (Google, OMCP, MICA, IIM) significantly enhance credibility.
- **Real-world Application**: Choose institutes offering live projects and internship or placement support.
- **Purpose & Budget**: Entry-level learners have budget-friendly options like DSIM or Digital Vidya, while professionals may explore premium executive programs from IIM or MICA.
